HOA

Why us?

Like-Minded is NOT Hive-Minded! The Members at HI/VE LLC feel deeply about the level of care provided to all clients. No matter what type of community, HI/VE's ultimate goal is to assist in creating an oasis in knowing that your Association's structure is strong and can thrive! We will work together with you as a team and assist you in bringing your vision of a highly integrated and smooth-running HOA into reality.

*We Will Always
Deliver More!*

Our Services...

HI/VE will custom create a unique honeycomb of services to suit your unique needs. Whether your Association is a 3-unit or 1,000, or if your community needs complete property management, or partial à la carte services? we will work hard to build it for you. Whether it is elections management, board minutes management, vendor vet and management, monthly fire high rise safety direction, financial and budget management, relocation services, management of commercial spaces, or the supply of temporary and permanent onsite and residential managers... we want you to Bee Happy!

About us!

HIVE Property Management Consulting LLC will operate the day to day of your Association so you don't have to. HI/VE stands for "Homeowner Insight / Value Enhancement", and is a concept which represents our desire to work as a team to provide Homeowner Boards with experienced insight, with the aim to enhancing the value of your community.
